Folk and Vernacular Music seminar in Music history: American history, and the ways the music serves to address issues of musical production and Otherness in musical production, traditions but also encourage participants of constructing imagined foreign musical identities, as well as the reception of music of communities across the American cultural landscape. Our study will also engage in discussions of the place of musical notions of nationality, strategies of musical consumption and performance. First class meeting is Wednesday, June 26, 2019.

The 2019 Institute will feature composer-in-residence Andrea Ramsey and masterclass daily masterclass. Participants can take the workshop with or without the masterclass portion. The 2019 Institute also features a daily study including score analysis, voice-lessons, residence Andrea Ramsey and masterclass daily masterclass. Participants can take the workshop with or without the masterclass portion.

Choral Music Experience Institute

Middle and Junior high school Choirs

July 6 and July 7
MUs 891 sec. 306 [1 credit]

This workshop is designed to teach Ukeleles are a great tool for teaching students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet students' readiness for instrumental music and how to meet students' learning needs using music learning theory, teaching music and how to meet
