2012 – 2013 Season

The Michigan State University Jazz Studies Program aims to be the best training ground in the nation for aspiring jazz musicians. Private contributions help ensure our ability to provide an environment that nurtures the highest level of excellence and inspire the next generation of jazz musicians. Gifts support student scholarships, fellowships, outreach activities, student travel, the opportunity to bring guest artists to campus to enhance the student experience, and other crucial areas that make MSU Jazz Studies the outstanding program that it is.
