The audition for ensembles for winds and percussion will be held jointly between orchestra and bands. There will be choice sheets available when registering for the audition. Based on the audition results we will try to accommodate ensemble choices although final placement will be determined by the conductors and studio faculty. Conductors and studio faculty will sit behind a screen and a monitor will instruct the performers in what to play and when to perform.

Musique 21 is an assigned ensemble. If you make the SO/WS pool you may be assigned to play Musique 21 for one concert during the semester. This will take the place of the orchestra or wind symphony rotation for that particular concert. Musique 21 will meet during the MWF 12:40-2:30 or 3:00-4:50 rehearsal slot depending on who is conducting.
