

MUS 830

Research Methods Waiver

How to get a waiver for MUS 830

MUS 830, Research Methods is an important course in which you will learn advanced principles of research, writing, editing, peer review, etc. This course is designed to prepare you for future work in music scholarship. If you have completed a similar course, you may request a waiver for MUS 830. HOW?

- 1) Submit an original syllabus for the comparable course. This should include all reading lists, supplemental materials and assignments.
- 2) Submit a copy of your transcript showing your grade in the course. A grade equivalent to a 3.0 (normally a 'B') is required to receive the waiver.
- 3) Additional materials may be requested at the discretion of the Area Chair

After review, you will receive an email stating if your waiver is accepted. This waiver **MUST** be completed and approved *prior* to submitting your Guidance Committee Report.

Send all materials to Dr. Ken Prouty
proutyk@msu.edu
